

Bal Harbour Shops

Wednesday, March 18th, 2020

By order of Bal Harbour Village, Bal Harbour Shops will temporarily close Thursday, March 19th at 5 pm, 2020, until further notice. Bal Harbour's restaurants will generally remain open for takeout and delivery services only. For their contact information, please visit <https://www.balharbourshops.com/restaurants/>

The health and safety of our customers, tenants and employees is our number one priority. We are continuing to monitor updated recommendations from Centers for Disease Control and Prevention (CDC), the World Health Organization, The Florida Department of Health and our federal, state, and local governments. We will continue to issue updates as the situation evolves. Please visit www.balharbourshops.com for more information.

Our mission has always been to create unique, meaningful experiences and special places that endure. We have always: strived for strong relationships with our customers and retailers, empowered our associates with a sense of ownership, and respected our heritage. And above all else, we have always focused unrelentingly on the long term. We will continue to do so and pledge to be back to normal operations as soon as we can be. Until then, we wish health and happiness to our customer, employee, guest, and tenant communities.

Sincerely,

Matthew Whitman Lazenby
President and Chief Executive Officer

Bal Harbour Shops

Friday, March 13th, 2020

As the impact of the Coronavirus (Covid-19) continues to evolve, the health and safety of our customers, our tenants, and our employees remains our number one priority. Bal Harbour Shops is open for normal business hours, and we are closely monitoring the updates and recommendations from the Centers for Disease Control and Prevention (CDC), the World Health Organization (WHO), The Florida Department of Health and our elected officials.

We have proactively increased the frequency and intensity of our cleaning, focusing our housekeeping in high touch areas and have hand sanitizer readily available throughout Bal Harbour Shops for public use.

We are working closely with our employees to stress the importance of regularly washing and disinfecting their hands and to stay home if they have a fever or flu-like symptoms and immediately contact a health care professional. We have instructed our tenants to follow the same proactive preventive measures.

We will continue to issue updates as the situation evolves. Our thoughts are with all of those who have been impacted.

Sincerely,

Matthew Whitman Lazenby
President and Chief Executive Officer
