The Grill at Bal Harbour will open at Bal Harbour Shops in October

By Ina Paiva Cordle

Bal Harbour Shops will welcome a new addition in October: The Grill at Bal Harbour, a new restaurant concept from Hillstone Restaurant Group. The 6,400 square foot restaurant will feature indoor and outdoor dining on the second level overlooking the shopping center's entrance. The restaurant's construction begins this spring.

The menu for The Grill at Bal Harbour will include "American classics," similar to Hillstone Group's other restaurants, Palm Beach Grill, Hillstone, Houston's and East Hampton Grill.

At Bal Harbour, the space will feature an island bar, an exterior patio bar coupled with an outdoor lounge space, as well as an exhibition style kitchen, Bal Harbour Shops said.
